Profile

Trust, Transparency and Innovation has proved to be the prime driving force for Growth and Excellence at SRK Group Companies.

SRK Group endeavours to set standards that redefine quality, delivery and customer care. Our success is attributed to promptness in identifying the emerging market demands and swiftly responding to these needs and therefore, our group is engaged in a diverse spectrum of activities.

We take this opportunity to introduce ourselves as a Multi Divisional Company having Exports Division, Domestic Sales Division and Electrical Contracting Division.

We are one of the leading Electrical Contractors. We undertake turnkey electrical works across India and abroad. We are also providing Substations HV/EHV, Internal/External Electrification Work, Erection, Testing & Commissioning of the Transformers, HT/LT Panels, Bus Ducts and Rising mains, Overhead transmission lines and Building automation system.

We have a team of dedicated staff & work force and we strongly believe in Team Work.

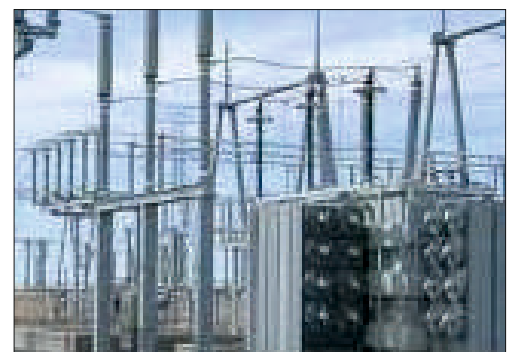

We are a Govt. approved contractor having an experience of 10 years for executing these activities in Industrial houses, Multi-storey Complexes, Power plant, Housing complexes.

We are a leading electrical service contractor with experience of over 10 years. We are engaged in the business of detail engineering and installation, testing and commissioning of electrical projects. We as a professionally managed organisation undertake the following activities:

Activities/Services

- Turnkey execution of Switchyard/substation for 11/33/66/110 KV.
- Overhead transmission line up to 110 KV.
- Supply, Installation, Testing & commissioning of Transformers, HT panels and DG Sets.
- Supply, Installation, Testing & commissioning of LT panels Bus Ducts, AMF panels.

Projects in Hand

PRATIBHA INDUSTRIES LTD.

Belapur Site :Water Storage and Distribution Plant- 33 KV Sub-Station Plant.

BHANU ICE COLD STORAGE

22 KV/433 V - 630 KVA Transformer Sub-Stations.

AIROLI CHS (J.P.BUILDERS)

22KV/433V 200 KVA Transformer 22KV/433 V 200 KVA Transformer Sub-Station.

EMPIRE BUILDCON - AIROLI

22 KV/433 - 200 KVA Transformer Sub-Stations.

NIDHI INFRASTRUCTURE - AIROLI

Supply installation & commission of 12 Storey Housing complexes.(WIP) With liaisoning with MSEDCL including Internal Electrification of Flats.

SK INTECH - RABALE

Supply installation & commissioning of commercial building (WIP) Liaisoning with MSEDCL.

OM SAI BUILDERS - PANVEL

Supply and Electrical Work of 150 Flats with Liaisoning with MSEDCL (WIP).

NEVA TECHNOCITY PVT LTD - AIROLI

Installation of Sub-Station 22KV/433-315 KVA Sub-Station.

NIDHI INFRASTRUTURE - AIROLI

Shifting of EHV Transmission Line- 220 KV,100 KV Towers

EURO SCHOOL - AIROLI

22KV/433 - 200 KVA Transformer Sub-Station

Our Channel Partners

K. C. Power Infra Pvt. Ltd. one of the leading licenced electrical consultant, engineering and electrical turnkey contracting company, with specialization of High Voltage Power Transmission Lines up to 800 kW. Over the years K. C. Power Infra Pvt. Ltd. has emerged as a dedicated engineering company providing solutions through supplying and installing HVAC / HVDC Power Transmission systems, communication towers and special structures in India.

K. C. Power Infra Pvt. Ltd. is established on solid foundations of engineering, experience, expertise and technology insight. Over the last one decade, thus becoming one of the trusted names in the Transmission Industry.

ABB is a global leader in Power and Automation technologies that enable utility and industry customers to improve performance while lowering environmental impact. The product offering covers a wide spectrum of technologies across the entire voltage range including indoor and outdoor circuit breakers, air and gas insulated switchgear, dis-connectors, capacitors banks, reactive power compensators, power distribution and instrument transformers and a range of power distribution products like Compact Substations (CSS), Ring Main Units (RMU).
